About Under Construction 212

As the Co-founders of Under Construction 212, we are two partners passionate about marketing. We both have excelled in hotel marketing management, especially including marketing in hotel openings and rebranding.

We are a boutique marketing consultancy company, that has embraced a hands-on approach and acts as your business partner.

It does not matter if your hotel or company has a marketing department or not, we offer flexible and tailor-made solutions. We act as your marketing department or offer guidance and consultancy to your existing team, depending on your organization's needs.

The logo for Under Construction 212. It features the word "UNDER" in a large, bold, black sans-serif font. Below it, the word "CONSTRUCTION" is written in a smaller, all-caps, black sans-serif font. To the right of "CONSTRUCTION", the number "212" is displayed in a vertical orientation, also in a black sans-serif font. The entire logo is set against a background of large, light gray, hand-drawn brush strokes that sweep across the page.

Who are we?

Esra Demir

Co-founder

My professional journey began in 2007 at Elixir Holidays in London. Upon returning to Istanbul, I continued my career at Hillside Beach Club. Following this role, I served as the Sales and Marketing Manager (involved in rebranding) at Coliseum Sports Club in Istanbul. Moving to Club Marvy in Izmir in 2017, I took on the role of Brand and Product Manager during its opening year, focusing on the establishment and branding process. Subsequently, in 2019, I joined Marriott International at JW Marriott Hotel in Ankara as a Marketing Manager. Throughout this career path, I honed my expertise in sales, branding, marketing, and communication. Leveraging my sales experience and marketing acumen, I've consistently devised comprehensive 360-degree sales and marketing strategies tailored to each brand I've been associated with.

Who are we?

Sevi Gürsoy Co-founder

Born in Izmir in 1985, I completed my middle and high school education at The American Collegiate Institute in Izmir. I received my undergraduate degree in Guidance and Psychological Counseling from Boğaziçi University. My professional journey began at Migros Ticaret A.S., where I worked in the Corporate Communication and Training departments.

In 2012, I joined Le Méridien Istanbul Etiler, a part of Starwood Hotels & Resorts, as a Training Manager. That same year, I began my Executive MBA at Istanbul Technical University, graduating in 2014 with a specialization in marketing. Following Marriott International's acquisition of Starwood Hotels & Resorts in 2016, I started to work for Marriott International. In 2017, I embraced my passion for marketing and took on the role of Marketing Manager at Le Méridien Istanbul Etiler, where my work has been awarded many times by Marriott International.

In 2019, I received the prestigious Marriott International ELITE Award as Brand and Marketing Leader of the Year, both for the European region and globally. Following this achievement, I was appointed as the Director of Marketing and PR for the pre-opening of JW Marriott Istanbul Bosphorus and Sheraton Istanbul City Center. I managed all marketing processes for the launch of both properties and onward after the openings.

Since 2021, I have been working as a business partner, providing strategic and operational marketing support to hotels and companies.
